

Sacred Heart Church Expansion Project - June 2010 - Request for Donations

As we near our 100th Anniversary "as a caring community" we are planning on expanding our Church to serve our parishioners better for the next 100 years. Our expansion plans needs your help to make this drawing a reality.

Our goal is to raise \$2,000,000.00 over the next 5 years and we know that we are unable to do this without your valuable contributions! There are three main areas which will be added with the expansion these are; a new hospitality & meeting centre; storage facility for Saint Vincent de Paul Society and Inn from the Cold; a Memorial Repository Centre.

We are asking for your pledges over the next five years and we have provided a new envelope in your envelope box beginning in 2009 to make it easier for you to donate. If you support United Way at work you may request that your donation go directly to Sacred Heart Church/Calgary. Alberta.

For further information please contact Father Edmund or Deacon Paul directly.

Please return this portion in the mail or place it in the weekly collection basket at Mass.

Amount of Donation: One Time Donation of: _____

Annual Donation of \$ _____
