## MONTHLY BULLETIN

### Do you know what a Columbarium is?

Do you realize that you can do a corporal act of mercy and visit the dead right here at Sacred Heart parish? Right below the Church is a crypt where urns are placed. Praying for the dead is an act of mercy and charity. Just ask our receptionist for the code and take a trip down using the elevator or the stairs. If you haven't been to the Columbarium, you will be impressed by the beauty and prayerful environment.

### What about Cremation?

The Canadian Catholic Church says: "Scattering cremated remains on the sea, in the air, on the ground, or keeping them in the homes of relatives does not display appropriate reverence and the Church does not offer a prayer service when that kind of disposal has been chosen."

Following the most ancient Christian tradition, the Church insistently recommends that the bodies of the deceased be buried in cemeteries or other sacred places.

Furthermore, burial in a cemetery or another sacred place adequately corresponds to the piety and respect owed to the bodies of the faithful departed who through Baptism have become temples of the Holy Spirit and in which "as instruments and vessels the Spirit has carried out so many good works". (taken from Vatican document "Ad resurgendum cum Christo" regarding the burial of the deceased and the conservation of the ashes in the case of cremation, Oct. 25, 2016)

# PROGRAMS AND FORMATION OPPORTUNITIES

## A life-changing study - The Great Adventure Bible Study

Learn the Bible. And discover the beauty, richness and characters of the remarkable story woven throughout all of Scripture. The Bible Timeline takes participants on a journey through the entire Bible. Go deep into each period of salvation history and learn the major people, places, and events of the Bible and see how they all come together to reveal the remarkable story of our faith. This 22-week study will begin Thursday, February 21st, 2019, and take place each Thursday, 6:00 - 8:00 p.m. at Sacred Heart Church. To sign up for this free course, contact Danielle Tomiak at [evangelization@sacredheartcalgary.ca](mailto:evangelization@sacredheartcalgary.ca) or by calling (403) 244-2741, ext. 234. Study guides are not required, but will be available for approx. \$50. (The Bible Timeline has been granted the Imprimatur.)

*"For years I wanted to learn the Bible. I wanted to start with a high level overview so I could understand how the stories and characters all fit together. I got this and so much more. The readings at Mass have become so much more meaningful. I now have context for how each reading fits into the big picture, who each character is, and more important, how he or she fits in the lineage from Adam and Eve, through to Jesus Christ. What an easy and exciting way to learn the Bible. Jeff Cavins is a gift to the Catholic Church. I looked forward to each week so I could learn more about the characters, what would happen next and why they made the choices they did. Learning the Bible changed my faith. This foundation was so critical to growing and falling in love with my Catholic faith."*

## **Chance to Participate in Research Study**

My name is Kassandra Tobias and I am conducting a study to better understand the learning and testing processes of high school math students.

The results of this study will help teachers create math tests so that the assessment is equal for all students. If you have completed gr. 9 or gr. 10 mathematics and if you are interested in participating in this study, please pick up a package at the hospitality desk or at the parish office.

Participating in this study will have no impact on your grade at school and your responses will be completely confidential (this means that your teachers will not know if you participate or of your responses).

If you decide to participate in this study, there is a chance to win one of three \$25 Amazon gift cards. Please contact me at [kassandra.tobias@stmu.ca](mailto:kassandra.tobias@stmu.ca) if you have any questions.
