

SACRED HEART CHURCH

MAY BULLETIN

We Miss You!

Our spiritual journey during this pandemic, like the Israelites with Moses wandering through the desert, will end and it's looking like that date may be coming soon.

Alberta is opening up gradually, and this means we can also soon expect a transition towards the return to the public celebration of the Holy Mass in some form. What have we learned in these days of fasting from the holy mass? Hopefully, you have taken this time to delve deeper into prayer, scripture, and personal reflection throughout our desert experience.

For many families, in the absence of our priests presiding the liturgies, parents have stepped up to be the spiritual presiders and leaders of your home as the domestic church. You have kept the faith alive within your home and your role will not finish when we all go back to parish life; you must build on the spiritual leadership you developed in serving your family.

Transitioning back to parish life, hopefully will be for all of us a renewal of gratitude for the faith we profess and the personal responsibility to nourish our spiritual life. We look forward to that first public mass at Sacred Heart to celebrate the joy of the Easter season with our parish community! Let us all strive to be worthy as best as we can of the great gift of that Holy Communion after the long fast.

Fr. Daniel Wilson LC
Associate Pastor
